## **TOWN WARRANT**

---

### **The State of New Hampshire**

To the Inhabitants of the Town of Mason in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Mason on Tuesday, the 11th day of March, next at two of the clock in the afternoon, to act upon the following subjects:

Article 1. Town Clerk for three years; Selectman for two years; Selectman for three years; Town Treasurer for three years; Tax Collector for three years.

The polls to close at 7:30 P. M. of the same day and at eight of the clock in the afternoon of the same day at the same place to act upon the following subjects:

Article 2. To choose all necessary Town Officers for the ensuing year.

Article 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 4. To see if the town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

Article 5. To see if the town will allow the Tax Collector compensation for collecting State Head Tax and fix the amount at 8 per cent or take any action relating thereto.

Article 6. To see if the town will raise and

appropriate \$515.00 or any other sum for the purchase of one additional air pack and spare cylinder, helmets, gloves and boots for the Mason Volunteer Fire Department.

Article 7. To see if the town will authorize the Selectmen to convey to the Town of Mason Conservation Commission any property it has acquired by tax deed.

Article 8. To see if the town will vote to raise the price of Cemetery lots from \$25.00 to \$100.00 or take any other action.

Article 9. To see if the town will vote to become a member of the Nashua Regional Planning Agency and to see if the town will vote to appropriate the sum of \$85.00 (15c per capita) to finance studies to be conducted by the Regional Planning Agency.

Article 10. To see if the town will vote to use the balances in the 1967 Warrant Item—Horse Shed — and in the 1968 Warrant Item — Electrical Entrance—for improving the wiring in the Town Hall.

Article 11. To see if the town will authorize the Bi-Centennial Committee to transfer all Committee records, material, pictures and all historical data to the Historical Society of Mason, N. H., Inc., or take any other action.

Article 12. To see if the town will raise and appropriate the sum of \$300.00 or any other sum to be paid to the Historical Society of Mason, N. H., Inc., or take any other action.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and sixty-nine.

CEDRIC VALENTINE  
ROBERT G. MARSHALL

Selectmen of Mason

A true copy of Warrant—Attest:

CEDRIC VALENTINE  
ROBERT G. MARSHALL

## REPORT OF SELECTMEN

---

As Mason begins its third century we still are a rural community. We started with farming, some mills and with the railroad, quarrying became important. We have now changed to almost exclusively a residential area. Our population today is about the same as in 1790 although there are about seventy-five more houses. Our population growth of about twenty-five percent in the last five years may level off as vacant houses have been occupied. Our Planning Ordinance is functioning in a manner which is proving to be beneficial to the Town.

We feel that we are going into a period of economic stability. Our school costs, now almost eighty percent of our property tax, should not increase disproportionately in the future. The new power line should bring in substantial revenue starting in 1971.

We anticipate improving Campbell Mill Road in 1969 to eliminate the hazardous section of the School Bus Route.

Our very successful Bi-Centennial Celebration has helped to establish two worthwhile organizations, the Wolf Rock Square Dance Group and the Mason Historical Society.

The Selectmen again wish to thank all Committee Members and Departments for their activities during the past year. We also extend our thanks to the several Town Residents who have

voluntarily given us valuable assistance in various ways. It is very gratifying to have more residents active in town affairs.

Respectfully submitted,

CEDRIC VALENTINE  
RAYMOND B. PARKER  
ROBERT G. MARSHALL

## EXPLANATION OF GRAPH

---

TAX LEVY — Total amount of property taxes committed to the Tax Collector.

SCHOOL APPROPRIATION — That portion of total School Expenditures which must be raised by the Town.

TOWN EXPENDITURES — Amount spent, eliminating "In and Out" items and Capital Expenditures which are amortized.

NET TOWN EXPENDITURES — Town Expenditures less revenue from sources other than property taxes.

COUNTY TAX — Levy by County Commissioners for County Expenses.

SOURCE OF FIGURES — Town Reports.

## AUDITOR'S REPORT

---

I have examined the accounts of all officers of the town for the year of 1968. My examination indicates that all receipts and expenditures have been accounted for and that the various reports will show a true statement of all financial transactions of the Town for 1968.

TRACY A. EATON

Town Auditor for 1968

## REPORT OF FINANCIAL ADVISORY COMMITTEE

---

The Financial Advisory Committee has, during the past year, advised the Selectmen on appropriate occasions. In January of this year the Committee met in joint session with the Selectmen for a detailed review of the budget for the forthcoming year, which was approved.

Respectfully submitted,

ARTHUR J. THOMPSON,  
Chairman

## REPORT OF THE PLANNING BOARD

---

The Planning Board was not as busy in 1968 as it had been in the previous year because the Planning Ordinance of 1967 had been approved and the revisions to the Building Code were voted in the affirmative at the March 1968 Town Meeting. Both ordinances appear to be working effectively to prevent undesirable development in the Town. Furthermore, the Board must assume that the ordinances have not caused any hardships to the residents of Mason since no one has come to any of our regular monthly meetings to express their dissatisfaction.

The main item of concern to the Board this year was the proposed 345-kv power line which is to be constructed by Public Service Company of New Hampshire and which would traverse about four miles of Mason. The Board met many times with officials, engineers, and surveyors from Public Service until such time as the Board was convinced (1) that the passage of the line through Mason was both reasonable and necessary, (2) that after they had surveyed several alternate routes suggested by the Board in conjunction with Carl Valyou and Bob Marshall, Public Service indeed had selected the most practical route, (3) that Public Service had considered the objections of the abutters and had

dealt fairly with them, and (4) that the revenue that the Town would derive from the installation was more desirable than the inconvenience it might cause. On February 5, 1969, the question was brought to a vote before the Town at a Public Hearing as required by Article V, Section B-1 as it applies to Section A-4 of the Planning Ordinance. The line was approved.

The Planning Board met with the Conservation Commission and enthusiastically endorsed the commission's recommendations for the installation of a public skating rink in the Mason Schoolyard and for the development of Pratt Pond as a recreational area.

Mason has now the opportunity to join with a regional planning board presently consisting of Nashua, Hudson and Merrimack. The regional concept will provide a greater source of information for Mason, will make federal money available to the Town, and will not exercise any jurisdiction over Mason's affairs. The question has been inserted in the warrant for the Town Meeting.

The year was not without its disappointments since the Planning Board lost two of its most valuable members, Mrs. Mary Castle and Mr. Calvin Wentworth, both of whom have moved from Mason. Their record of conscientious, informed and dedicated service to the Town of Mason helped immeasurably in making both the Planning Ordinance and the Building Code a reality. I would like also to acknowledge the valued assistance of Mr. Harry Preble, secretary to the Board, who was forced to resign in order to continue his education.

Respectfully submitted,

EDWARD L. McCAFFERY

Chairman

## **REPORT OF BUILDING INSPECTOR**

---

There have been twelve (12) building permits issued during the past year. They have been issued for the following:

- (4) Permanent dwellings
- (2) Garages
- (1) Masonry footing and foundation and septic system for Mobile Home
- (5) Septic systems

One of the Permanent dwellings has received a completion certificate and one (1) garage and three (3) septic systems have been completed.

The Selectmen and I have made the following as points of inspections for each building permit when applicable.

- 1. Footing forms before pouring.
- 2. Sanitary System before pipes are covered.
- 3. Framing, wiring and plumbing before being covered by any insulation, dry-wall or lath.
- 4. Final inspection before occupancy.

I will be available to assist anyone in need of assistance on any building problem.

Respectfully submitted,

KENNETH B. WILSON  
Building Inspector

---

## **REPORT OF POLICE DEPARTMENT**

---

The Mason Police Department is now equipped with 4 two-way Police radio sets. Equipment has been purchased and issued

to each officer to enable him to perform his duty efficiently on any occasion.

The primary function of a Police Department is to insure the safety of the people of the Town it serves, but it is also necessary to see that each officer is equipped to the best degree of safety in the performance of his duty.

The weekly patrol from November to April is still in effect. Any summer resident wishing to be added to the list should contact the Chief of Police.

The 24 hour Police Answering Service can be reached by calling 878-1611. Emergency call cards are available by contacting the Chief of Police.

I hereby submit the annual report of the Police Department for the year 1968.

Accidents	5	Juvenile Problems	5

## REPORT OF FIRE DEPARTMENT

---

In the summer of 1968 we moved into the new station on Depot Road. This has been a big improvement as there is now room to work on the apparatus so that proper maintenance can be accomplished. This was not possible in our former rented quarters due to over crowding.

Two oil burners were installed in the fall and an underground 2000 gal. tank to provide heat. Insulation has also been installed by the department members and wiring is almost completed. We hope to install the siding on the station this summer if we have the funds. As yet, no town funds are involved in the building of the fire station.

Funds were received from the town this year to allow the purchase of fire coats for the department which affords some sorely needed protection for the men. We hope to purchase helmets, boots and mittens in 1969 so that the men will have full protective gear. Firefighting is hazardous enough even with proper clothing.

A gasoline driven water pump has been acquired through the Forestry Division which has been set up in the station. This allows the pumping of water from the pond to the trucks from inside the station. This is quite an asset especially in cold weather.

Through the efforts of our C. D. Director, we have obtained a 5-KW standby generator for the fire station. It is large enough to carry the electrical load of the station.

The fire emergency number is 878-1611. In case of fire or other emergencies, this is the number to call. Do not call other people or the fire departments of other towns as this just makes unnecessary confusion. Call 878-1611, give your message slowly and clearly and they will do the rest.

At this time, we have a few vacancies in the department membership. Any person who feels that he would be interested in becoming a member should contact the chief or any other department member for information. Meetings are the first and third Thursdays of each month.

At this time, I would like to thank the members of the department who have given long hours and service to the department in 1968. Without these men the department could not function. Members also attended fire schools at Guilford and Fitzwilliam during the year.

Many thanks to the fire departments of Greenville, Brookline and Townsend for mutual aid assistance during the year.

## **REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF**

---

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result—escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.

If you must burn—

- a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
  - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
  - c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	Number of Fires	Woodland acres burned
State	593	349
District	166	147½
Town	0	0

ALWIN HODSON, JR.,  
Warden

WINTHROP H. HANNAFORD,  
District Fire Chief

---

## REPORT OF CONSERVATION COMMISSION

---

One vacancy remains unfilled on the commission. Anyone interested should contact Cliff Hastings, Chairman, or Curt Dunn, Vice-chairman.

Meetings are held the first Monday of each month at the town hall at 8:00 P. M. The commission extends an invitation to those interested in conservation or those with a conservation problem to attend.

A map of Mason is being designed for purpose of accurately locating forgotten roads, drains, water-holes or other geographical points of interest to the commission and the town.

Clean-up day was conducted on May 18th. Enthusiasm of the younger generation was excellent. Adult participation could be improved. This activity takes place once yearly in conjunction with the state clean-up campaign. State-wide, many thousands of dollars are saved through this endeavor.

Opening of fire lanes and the location of additional water-

holes will start in the spring. This has been made possible by a grant from the Spaulding-Potter Charitable Trusts.

Respectfully submitted,  
CLIFTON W. HASTINGS,  
Chairman

Edith M. Marshall, Treasurer

REPORT OF BICENTENNIAL COMMITTEE

Your committee authorized by the 1966 Town Meeting submits herewith the final report covering its activities in recognition of Mason's Two Hundredth Anniversary.

Our first event was the dedication by the school children of very beautiful Uncle Sam and Betsy Ross flags to fly from a splendid forty foot fibreglass pole which was placed on the Town Common. All were duly accepted by our town officials at ceremonies held on Uncle Sams' 201st birthday which occurred on September 13, 1967.

Throughout the period of preparations great activity was in evidence. Our Town Commons and Public Buildings were beautifully landscaped. The Town Pound was properly restored and marked later to become a domicile for real live cattle during the big day. The Burial Place of The First White Child

was made a scene of lasting beauty to be deeded to The Mason Historical Society. Wolf Rock was cleared and The Pine Grove setting off the new paved parking lot at the Town Hall was trimmed attractively.

The second major event was the Memorial Day program. The school children put on a well coached performance of the "Uncle Sam" play. The V.F.W. Color Guard, The Firing Squad and The Fitchburg Legion Band led the parade to the cemetery and return.

Other events were the "Essay Contest" for the upper grades and the "Drawings" by children of the lower grades. All concerning Mason people, places and things they had brought to light signs of greatness in the hearts and minds of the rising generation.

As the "Great Days" approached excitement filled the air. The Bicentennial King and Queen were properly crowned at the Coronation Ball on August 17. The Square Dance on Friday evening, August 23rd, was a very splendid thing to see. The Caller—His Orchestra—The Decorated Band Stand—The Many Colored Japanese Lanterns—The Flood Lights—The Colorful Costumes of The Dancers all combined to bring joy and satisfaction to the hearts of all.

On the 24th of August, being blessed with very fine weather the great events of the day properly announced by our Master of Ceremonies proceeded with precision. In the midst of a sea of activity stood our many interesting attractions: The newly decorated Church and Carriages Sheds—The Bible Exhibit—The Authentic Mason Antiques on display at The Williams House—Mason Photographs at the School—Many Lunch Bars and two or three concessions. An Information Booth in charge of Souvenir sales and a Guest Book in which former residents and descendants personally recorded great names from the past. The "Mason Book" was on sale and moved out at a rate far in ex-

cess of our fondest hopes. The Firemen offered Pony Rides for the kids and The Girl Scouts set up a Typical Camp Site furnishing information as to the location of Historical Sites.

Many games were enjoyed by all ages. There were: Egg Throwing—Spike Driving—Wood Chopping—Tug of War and a "Girl Dunking" Contest—which was a constant attraction all day long.

The Parade got under way after Picnic Lunches were over and the many carefully selected units brought great joy to the spectators who lined the route. "Uncle Sam" led the parade followed by The Spirit of '76—The Revolutionary Soldiers—The Dressy Color Guard and so on down the line including The Surry with the Colonial Dames—Doctor Barber in his Buggy—The Brothers of the Brush—The Clowns—The Little Minister and His Wife on horseback—The Tin Pedlar driving John Boynton's fully equipped Original Wagon—The Fitchburg Legion Band—The Spartant Drum Corps—The King and Queen and all others who combined to make a display never to be forgotten. It is to be noted here that the Mason Police did yeoman's work throughout the week to maintain order and control the parking.

As the parade broke up The Legion Band retired to The Common and delivered a real old fashioned Band Concert much to the delight of the "Old Timers" present. The Spartans put on a tremendous drill on the ball field which was followed by a very real and exciting "Live Fire" demonstration by our Fire Department. A ball game followed and then The Chicken Barbecue. In the evening the "Uncle Sam Play" was put on by the school children under the lights in a delightful woodland setting adjacent to the Town Hall.

A Resplendant Patriotic and Religious Order of Worship announced the "Old Fashioned Church Service" on Sunday the 25th at 11 o'clock A. M.

The Elders in proper attire were present to assure constant attention to the sermon. The Women, many of them in old fashioned costume, were seated on the right of the sanctuary, the men on the left. Vintage hymns were sung and a "Cantor" lined out one which had gone out of common print. The Scripture, Responsive Reading and Statement of Faith followed closely the doctrine of our early church. The Sermon, ably delivered by our minister used as its text those ageless words from the Bible: Faith, Hope and Love. These three guided the early settlers, have prevailed for two hundred years and will continue to be the mainstay of those whose privilege it will be to guide the affairs pertinent to our Tricentennial one hundred years from now.

If we have forgotten anything which contributed to the happy events of those glorious days it is not intentional and if the lack of personal recognition is noticeable here it has been done for a dual purpose: for fear that someone might be overlooked and for lack of space to name them all.

We're a little sad now that it's all over but we do feel that we properly recognized the noble heritage which it was our privilege to proclaim.

Your most humble servants,

THE BICENTENNIAL COMMITTEE

by its Chairman

JAMES A ROWSE

Respectfully submitted,

MARGARET S. MORRISON

School Lunch Treasurer

August 5, 1968

---

### SUPERINTENDENT'S REPORT

To the pre-existing School Board and Citizens of Mason:

I submit this abbreviated report relative to the activities of the school district from the time of the final school district meeting held in March 1968 until June 30, 1968. At this time Mascenic Regional School District assumed full operating responsibility for the schools in Mason.

All plans for closing out the district proceeded as projected, except that late in the fiscal year the State Tax Commission, Municipal Accounting Division, indicated that it would be a physical impossibility for their office to audit the accounts of the district of Mason because of insufficient personnel. The local school board, therefore, assumed the responsibility of finding local auditors to conduct a careful and detailed audit. This

audit was completed, is reported herein, and meets all State requirements.

The accounts of the district were closed in good order providing a net balance in Mason of \$1,257.52. Even though the district authorized the raising and appropriating of \$1,000.00 to cover any unanticipated expenditures expended between the time of the March meeting and the end of the year, actually only \$291.13 was required by the board to meet unexpected expenses. As provided by an article in the Warrant, this net balance has been transferred to the Mascenic Regional School District and has been credited toward Mason's share of funds necessary for operating the Mascenic Regional School District in 1968-69. All reports of the treasurer and bookkeeper of the school district have been stored within the community in the attic of the school in Mason, and should be on hand for review for a period of seven years.

The transfer of administrative responsibility from the town district to the Mascenic Regional School District has been accomplished with minimal problems and confusion due to the continuance of personnel for both districts.

Respectfully submitted,

KENNETH A. SARGENT  
Superintendent of Schools.

---

## **ACTION TAKEN AT TOWN MEETING**

### **MARCH 12, 1968**

---

Meeting called to order by Moderator Hodges at 1:00 P. M.

School and Town Warrant read, voting articles only.

Polls declared open. Total votes cast 141.

Polls declared closed 7:15 P. M. Ballots counted. Results read.

Selectman for 3 years Harold C. Weber

Tax Collector for 1 year Joyce H. Hodges

Town Clerk and Treasurer for 1 year Charles F. H. Crathern

Road Agent for 1 year G. Porter Washburn

Presidential Candidate—Republican—Richard M. Nixon  
Democratic—Eugene J. McCarthy

Meeting adjourned at 9:30 to following day at 7:00 P. M. to act on warrant articles 3-29.

March 13, 1968. Adjourned Town Meeting called to order by Moderator at 7:00. Warrant articles 3-29 read.

Article III. Clerk was authorized to cast one vote for the following nominations:

Library Trustee for 3 years—Virginia Clark

Cemetery Trustee for 3 years—Conray Wharff

Cemetery Trustee for 1 year—Clifton Hastings

Trustee of Trust Funds for 3 years—Charles F. H. Crathern

Auditor for 1 year—Tracy Eaton

All the above listed officers sworn in by Moderator Hodges.

Article IV. Moved that sum of \$32,906.81 be raised and appropriated to defray Town charges for the ensuing year of 1968. Auditor Thompson stated all Town accounts had been audited and found correct. Under Highways and Bridges it was voted to change "cutting brush" to "remove brush." Conservation Committee authorized \$50.00. Under "Town Hall and Other Expense" it was voted to increase the \$1,000.00 to \$1,250.00, the \$250.00 to be applied to the Town Hall itself.

Article V. Selectmen and Treasurer were authorized to borrow money in anticipation of taxes.

Article VI. Sale of Town owned real estate by Selectmen with approval of Financial Advisory Board approved.

Article VII. Voted that Town allow no discount for early payment of taxes.

Article VIII. Selectmen authorized to sell old plows and scraper.

Article IX. Tax Collector granted 8% compensation for head tax collected.

Article X. \$500.00 appropriation for 200th celebration included in Budget.
